Notes to the financial statements

For the year ended 30 June 2021

1 CORPORATE INFORMATION

The financial report of Paralympics Australia Ltd for the year ended 30 June 2021 was authorised for issue in accordance with a resolution of the directors on 6 October 2021.

Paralympics Australia Ltd is a Company limited by guarantee incorporated and domiciled in New South Wales. Its registered office and principal place of business is 1A Herb Elliott Ave, Sydney Olympic Park, NSW. Paralympics Australia Ltd was formerly Australian Paralympic Committee Ltd.

PA operates to foster the Paralympic movement in Australia in accordance with its Constitution. PA's primary role is to represent and promote sport for athletes with a disability and to execute its exclusive powers for the representation of Australia at Paralympic games, both summer and winter. PA operates predominantly in Australia except at the time of participation of Australian teams at overseas locations.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

The financial report is a general purpose financial report, which has been prepared in accordance with the requirements of Australian Accounting Standards - Reduced Disclosure Requirements and other authoritative pronouncements of the Australian Accounting Standards Board. In addition, the financial report has been prepared in accordance with the reporting requirements of the Charitable Fundraising Act 1991 (NSW), Charitable Collections Act 1946 (WA), and the Australian Charities and Not-for-profits Commission Act 2012.

The financial report has been prepared in accordance with the historical cost convention. The financial report is presented in Australian dollars (\$).

(b) Statement of compliance

The financial report complies with the Australian Charities and Not-for-profit Commission Act 2012 and Australian Accounting Standards issued by the Australian Accounting Standards Board.

(c) New accounting standards and interpretations

The accounting policies applied by Paralympics Australia Ltd and are consistent with those of the prior year. The Company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

(d) Foreign currency translation

(i) Functional and presentation currency

Both the functional and presentation currency of Paralympics Australia Ltd is Australian dollars (\$).

(ii) Transactions and balances

Transactions in foreign currencies are initially recorded in the functional currency by applying the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the reporting date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate as at the date of the initial transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Notes to the financial statements

For the year ended 30 June 2021

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) Cash and cash equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand. The company has short term deposits with maturity of three months or less.

For the purposes of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts. Bank overdrafts are included within interest-bearing loans and borrowings in current liabilities on the statement of financial position.

(f) Trade and other receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade and other receivables, which comprise amounts due from trading activities are recognised and carried at original invoice amount less an allowance for any uncollectible amounts. Normal terms of settlement vary from 30 to 90 days. The carrying amount of the receivables is deemed to reflect fair value.

For trade receivables, the Company applies a simplified approach in calculating expected credit losses (ECLs). Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company assesses a provision based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

(g) Investments

Investments in managed funds are financial assets classified as fair value through profit and loss. Fair value movements in these investments is recognised in the profit and loss statement. At balance date, the Company assesses whether there is any impairment to investments.

(h) Property, plant and equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and/or accumulated impairment losses, if any. Such cost includes the cost of replacing part of the property, plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciates them accordingly. All other repair and maintenance costs are recognised in the statement of comprehensive income as incurred.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

- Computer Network - 20% to 40%
- Office Furniture and equipment – 4% to 20%

Impairment

The carrying values of property, plant and equipment are reviewed for impairment at each reporting date, with recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired.

Where an indicator of impairment exists, PA makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Notes to the financial statements (continued)

For the year ended 30 June 2021

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(h) Property, plant and equipment (continued)

The recoverable amount of property, plant and equipment is the greater of fair value less costs to sell and value in use. Value in use is the depreciated replacement cost of an asset when the future economic benefits are not primarily dependent on the asset's ability to generate net cash inflows and where PA would, if deprived of the asset, replace its remaining future economic benefits.

Impairment losses would be recognised in the statement of comprehensive income.

Derecognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of comprehensive income when the asset is derecognised. The assets' residual values, useful lives and amortisation methods are reviewed, and adjusted if appropriate, at each financial year end.

(i) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

- Property 7 years
- Equipment 2 years

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section (i) Impairment of non-financial assets.

Notes to the financial statements (continued)

For the year ended 30 June 2021

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(ii) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(iii) Short term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

(j) Impairment of non-financial assets

Non-financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows that are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are tested for possible reversal of the impairment whenever events or changes in circumstances indicate that the impairment may have reversed.

(k) Trade and other payables

Trade and other payables are carried at amortised cost and due to their short-term nature, they are not discounted. They represent liabilities for goods and services provided to PA prior to the end of the financial year that are unpaid and arise when PA becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 60 days of recognition.

(l) Interest-bearing loans and borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

Notes to the financial statements (continued)

For the year ended 30 June 2021

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

(m) Provisions

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of comprehensive income net of any reimbursement.

(i) Wages, salaries and annual leave

Liabilities for wages and salaries, including non-monetary benefits and annual leave expected to be settled within 12 months of the reporting date are recognised in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Long service leave

The liability for long service leave is recognised and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures, and periods of service. Expected future payments are discounted using market yields at the reporting date on national corporate bonds with terms to maturity and currencies that match, as closely as possible, the estimated future cash outflows.

(iii) Superannuation

PA contributes to a group employee superannuation scheme. Contributions on behalf of employees are based on statutory percentages of their gross salaries. The scheme provides for accumulation and PA is under no legal obligation to make up any shortfall in the scheme's ability to meet payments due to employees. Superannuation fund contributions are charged as an expense as incurred.

(n) Revenue recognition

Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods and services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(o) Other Income

Government Grants

The government introduced a JobKeeper Payment scheme to support businesses significantly affected by the COVID-19 pandemic to help keep more Australians in jobs. The JobKeeper Payment was available to eligible employers to enable them to pay their eligible employee's salary or wages a set amount per fortnight. Eligible employers were reimbursed a fixed amount per fortnight for each eligible employee. PA qualified as an eligible employer up to 31 March 2021.

PA was eligible for this payment and has claimed a total amount of \$726,257 for the year ended 30 June 2021 (30 June 2020: \$308,893).

The JobKeeper Payment scheme is accounted for in line with AASB 1058 Income of Not-for-Profit Entities. PA recognised a receivable and income when it obtained control over the funding.

(p) Income tax

PA is a registered charity with deductible gift recipient status and as a sporting body is exempt from Australian Income Tax under Section 23(g) (iii) of the Income Tax Assessment Act, 1936, as amended.

(q) Other taxes

Revenues, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority is classified as part of operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

(r) Presentation of Comparative Amounts

Comparative amounts may be presented differently from prior year to conform with the current year presentation of the financial statements and notes.

3 SIGNIFICANT ACCOUNTING JUDGEMENTS AND ASSUMPTIONS

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Impairment of non-financial assets

PA assesses impairment of all assets at each reporting date by evaluating conditions specific to PA and to the particular asset that may lead to impairment. These include the revenue, economic and political environments and future revenue expectations. If an impairment trigger exists, the recoverable amount of the asset is determined.

Contract liabilities

Australian Sports Commission funding provided for specific sport programmes, unexpended in the financial year are held as contract liabilities within the statement of financial position of PA. These funds will be expended in future periods, in accordance with applicable funding agreements.

8 LEASES

Company as a lessee

The Company has lease contracts for commercial property leases and office equipment. These leases have an average life of 6 years. There are no restrictions placed upon the lessee by entering into these leases. The Company's lease terms may include options to extend or terminate the lease. These options are reflected in the Company's future contractual obligations when it is reasonably certain that the Company will exercise that option.

19 ECONOMIC DEPENDENCY

The financial report has been prepared on a going concern basis, which contemplates continuity of normal business activities and realisation of assets and settlement of liabilities in the ordinary course of business.

Paralympics Australia Ltd has a net current assets position of \$5,046,943 as at 30 June 2021 (2020: \$3,767,321) and has generated an operating surplus for the year of \$1,370,253 (2020: \$1,363,045). The net cash inflows/(outflow) from operating activities during the year were \$4,867,528 (2020: (\$251,324)). As at 30 June 2021 the Company has net assets of \$6,374,426 (2020: \$5,004,173).

PA is economically dependent on grants provided by the Australian Sports Commission to continue at its current level of operations. A recurring reduction in grants provided would impact on operating levels.

The Company has prepared detailed cashflow forecasts over which analysis has been performed. These show that the Company can pay its debts as and when they fall due in the ordinary course of business and as such the Directors have concluded that the going concern basis is appropriate.

Directors' declaration

In accordance with a resolution of the directors of Paralympics Australia Ltd, I state that in the opinion of the directors:

- (a) the financial statements and notes of the Company are in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:
 - (i) giving a true and fair view of the Company's financial position as at 30 June 2021 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulation 2013; and
- (b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable
- (c) the statement of comprehensive income gives a true and fair view of all income and expenditure of the Company with respect to fundraising appeals;
- (d) the statement of financial position gives a true and fair view of the state of affairs of the Company with respect to fundraising appeals;
- (e) the provisions and regulations of the NSW Charitable Fundraising Act 1991 and the NSW Charitable Fundraising Regulations 2015 and the requirements of the WA Charitable Collections Act (1946) and the WA Charitable Collections Regulations (1947) and the conditions attached to the authority to fundraise have been complied with by the Company; and
- (f) the internal controls exercised by the Company are appropriate and effective in accounting for all income received and applied by the Company from any of its fundraising appeals.

Independent Auditor's Report to the Board Members of Paralympics Australia Ltd

Report on the Financial Report

Opinion

We have audited the financial report of Paralympics Australia Ltd (the Company), which comprises the statement of financial position as at 30 June 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- a) giving a true and fair view of the Company's financial position as at 30 June 2021 and of its financial performance for the year ended on that date; and
- b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-Profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information is the directors' report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-Profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on the requirements of the *NSW Charitable Fundraising Act 1991* and the *NSW Charitable Fundraising Regulations 2015* and the requirements of the *WA Charitable Collections Act (1946)* and the *WA Charitable Collections Regulations (1947)*

We have audited the financial report as required by Section 24(2) of the *NSW Charitable Fundraising Act 1991* and the *WA Charitable Collections Act (1946)*. Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the *NSW Charitable Fundraising Act 1991* and the *NSW Charitable Fundraising Regulations 2015* and the *WA Charitable Collections Act (1946)* and then *WA Charitable Collections Regulations (1947)*.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or non-compliance may occur and not be detected. An audit is not designed to detect all instances of non-compliance with the requirements described in the above-mentioned Acts and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit opinion expressed in this report has been formed on the above basis.

Opinion

In our opinion:

- a) the financial report of Paralympics Australia Ltd has been properly drawn up and associated records have been properly kept during the financial year ended 30 June 2021, in all material respects, in accordance with:
 - i) sections 20(1), 22(1-2) and 24(1-3) of the *NSW Charitable Fundraising Act 1991*;
 - ii) sections 10(6) and 11 of the *NSW Charitable Fundraising Regulations 2015*;

**Building a better
working world**

- iii) the *WA Charitable Collections Act (1946)*; and
 - iv) the *WA Charitable Collections Regulations (1947)*.
- b) the money received as a result of fundraising appeals conducted by the Company during the financial year ended 30 June 2021 has been properly accounted for and applied, in all material respects, in accordance with the above-mentioned Acts and Regulations.
